ANNUAL AWARDS

Many congratulations to Gymophobics Award winners around the country. Awards took place via Facebook this year due to the pandemic but more than 2,000 members tuned in to hear the results and many lovely messages of support have been sent to the winners via social media.

Four amazing Slimmers who represent different age groups won the coveted **Slimmer of the Year Award**.

These were:

Courtney Law from Wickford.
Zoe Kirby from Cannock.
Tracey Dimon from Aldridge
Tracey Murphy from Redditch

Congratulations too to the many Centres who won **Excellent Service Awards**. These were voted by their Members and will be published on their own web sites and Facebook.

Lots of Love,

Donna X
